

Harley SurPrize CHRISTMAS

Step right up! The funfair has gone festive. Snow is falling on the stalls, the lights are strung up, and Harley is in her Santa hat with the big prizes still on offer. Harley SurPrize Christmas is a 3×3, 5-line slot where every spin could be a game-changer, with Harley front and centre throughout.

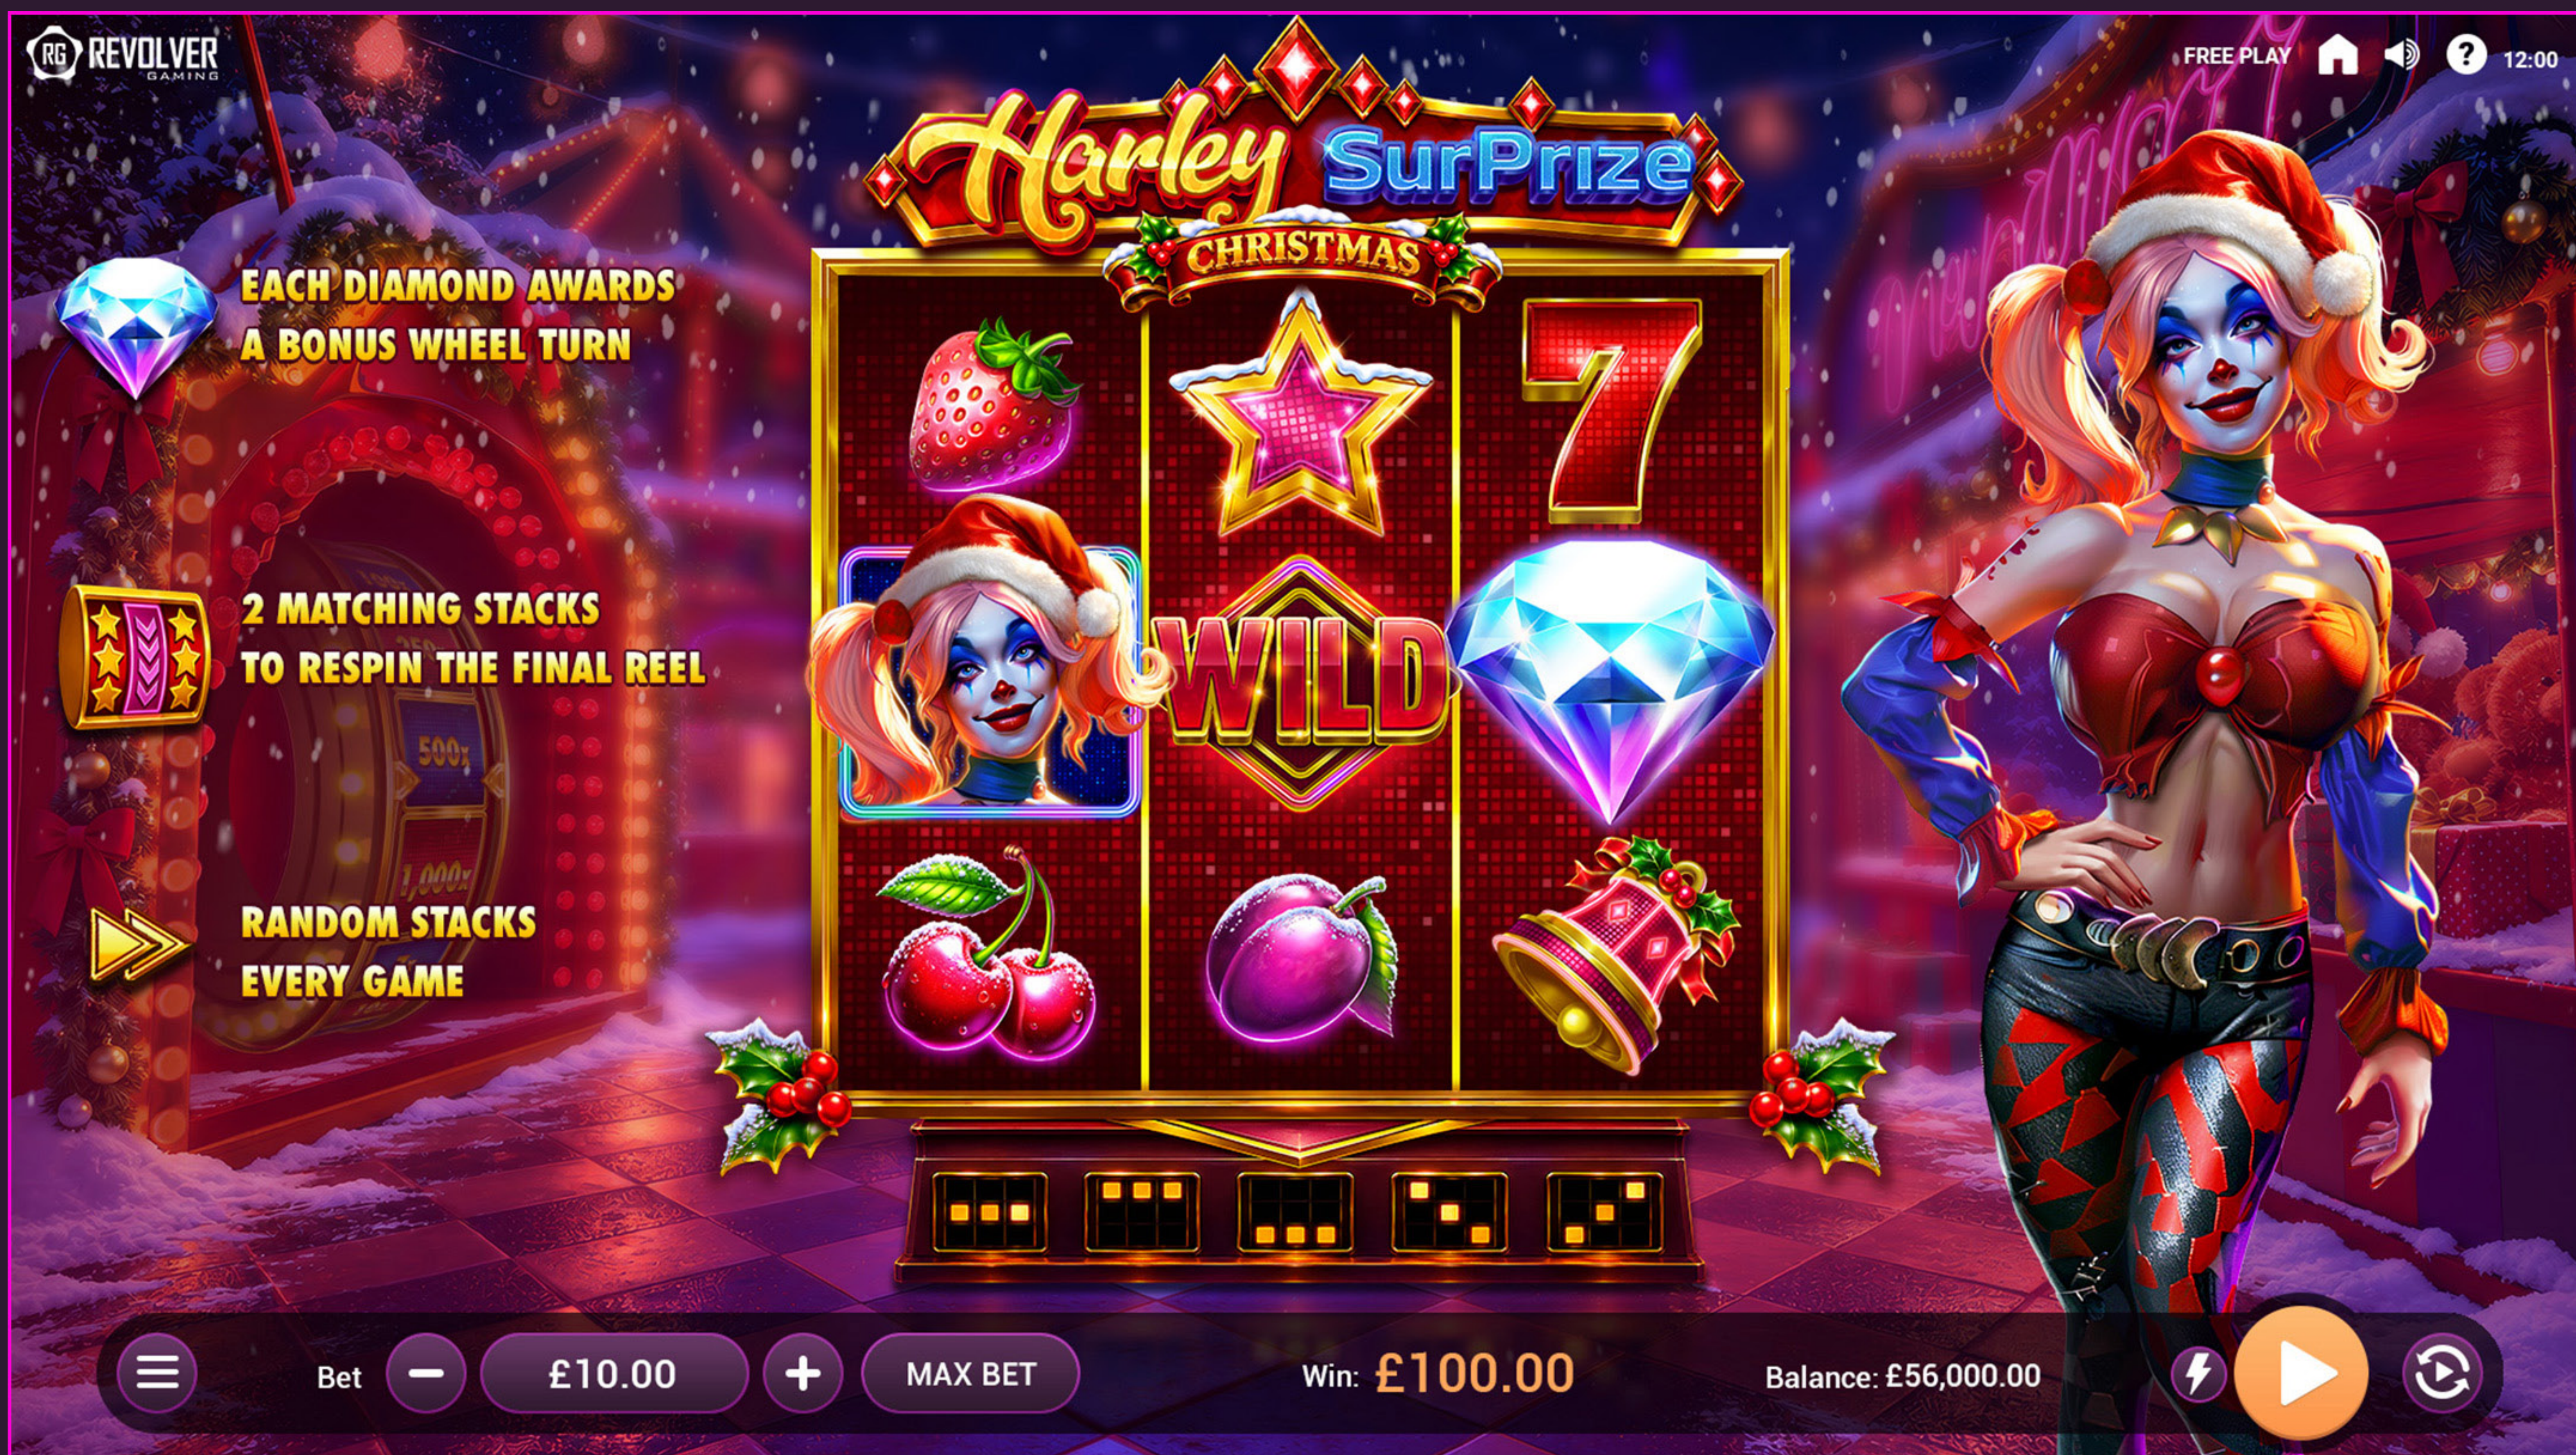

Every game deals out random stacked symbols. If two reels match up, the final reel respins for another shot at glory. The real headline act is still the Bonus Wheel. Land diamonds, up to nine of them, and each one earns you a turn, with multipliers reaching as high as 1,000x your bet per turn.

Frosted fruits, golden Stars, holly-trimmed Bells and the iconic red 7 fill the reels, with Harley's own symbol at the top of the paytable. It's fast, it's flashy and it's full of surprises, just the way Harley likes it.

The funfair's in town, and it's snowing. Are you ready to spin?
