CLEO'S COINS - Fashion TV

Revolver Gaming and Fashion TV present an opulent fusion of ancient mystique and modern glamour!

Journey down the golden corridors of Cleopatra's palace, where timeless Egyptian elegance meets contemporary style. This stunning collaboration showcases exquisite visuals adorned with shimmering gold and precious jewels, paired with majestic audio that creates a sophisticated gaming experience worthy of the world's most iconic fashion brand.

Cleo's Coins - Fashion TV is a highly volatile 5 reel, 20 line game that features 2 x randomly stacked symbols in every new game. Follow Cleopatra, the ultimate style icon, as she guides you to glittering gold coins that fill your treasure pots to win Multipliers, Free Games with re-triggers and the COLOSSAL Progressive Jackpot prize!

Experience the Coins series reimagined with Fashion TV's signature touch - where ancient coins cascade with runway-worthy style!
