

Dragon Coins

Travel back to an ancient Far Eastern land and discover the luck of the legendary dragon in 'DRAGON COINS'.

This high volatility 5-reel, 25 line video slot features a Free Spins bonus with a chance to win over 9000x Total Bet!

Your journey begins in a rural valley set against the beautiful, serene colours of dusk as the gentle breeze shifts pretty petals across rivers and hills against the soothing ambient sounds of nature and distant instrumentals.

Receive 3 golden dragon medallions and the festival starts with a BANG! Watch the powerful fireworks display as each new spin delivers a chance of progressive wins with Increasing Multipliers. Re-trigger another 2 spins by receiving 2 medallions, each with exponentially higher Multipliers. Re-trigger another 4 times for potential rewards of Epic proportions!

Compatible across all platforms and devices, this game will attract players with a balanced base game, and excite those with hunger for the long game in the Free Spins Bonus with potentially massive rewards!
