LOTTO Lucky Easter

Embark on an egg-ceptional journey of wonder with "LOTTO Lucky Easter," where the celebration of springtime delights comes alive on the reels!

Picture-perfect green meadows dotted with colourful Easter eggs and blossoming pink trees provide the vibrant backdrop for this truly egg-straordinary experience. Our beloved white bunny leads the way, accompanied by an adorable cast of Easter-themed symbols, from baby lambs and chicks to vibrant eggs and hot cross buns.

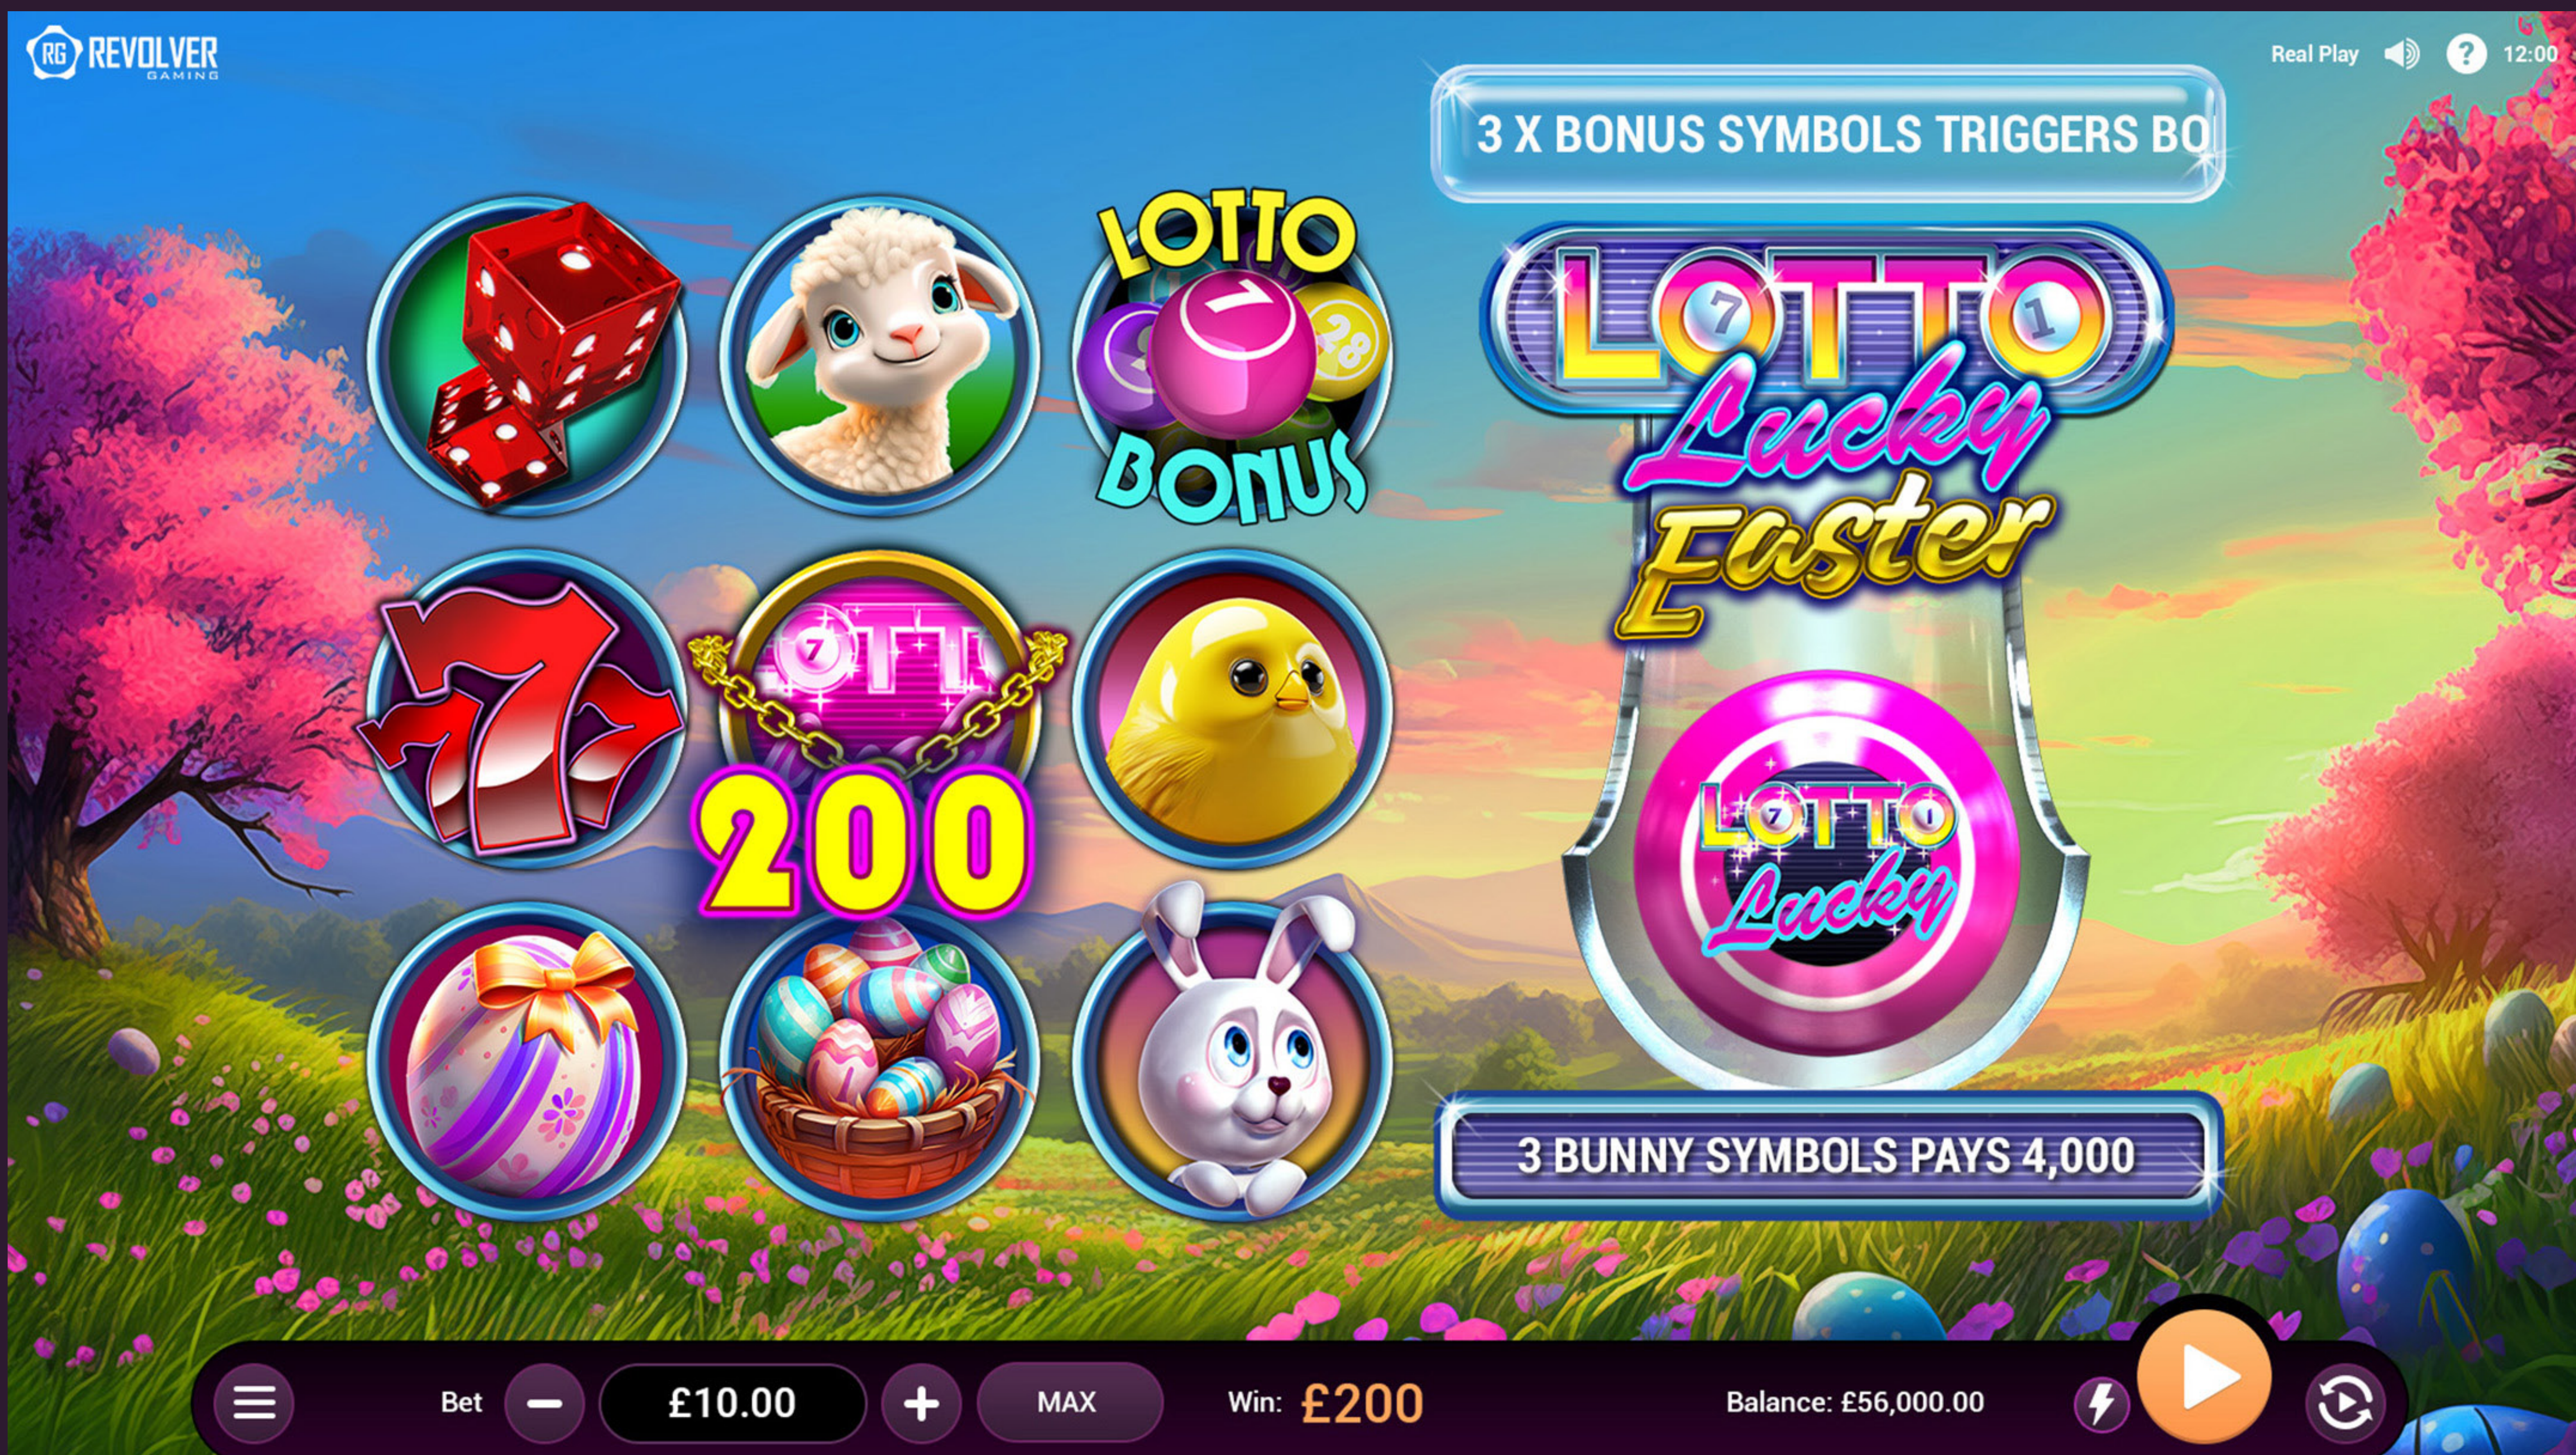

Egg-sperience the egg-static moment as the 3x3 grid springs to life with the arrival of the Lotto chute's Lucky symbol at the start of each game. Once three or more matching symbols align with the Lucky symbol, they all lock in place, initiating an egg-citing cycle of re-spins and double pays!

But the fun doesn't end there! Enter the 'Lotto Bonus' round by triggering three or more Bonus symbols, where a whimsical lottery machine awaits. Each ball holds the promise of generous credit awards and egg-shilarating multipliers for massive gains!

Join us in embracing the spirit of Easter with "LOTTO Lucky Easter" - your ticket to a slot adventure filled with endless egg-citement!
