Lotto Lucky™

Lotto Lucky™ is a vibrant 3x3 slot packed with lucky charms and big win potential – and every spin comes with a twist.

Before the reels stop, a Lucky symbol is randomly selected. Land 3 or more matching Lucky symbols anywhere on the grid and they lock in place, triggering continuous re-spins with double pays – and the action keeps coming until your luck runs out.

No paylines, no complications. Just scatter pays across a colourful cast of classic lucky charms – four-leaf clovers, horseshoes, ladybirds, lucky dice and more – paying on 3 to 9 matching symbols anywhere on the grid.

When 3 or more Lotto Bonus symbols land, you're into the 2nd-screen bonus round. A gleaming lottery ball machine takes centre stage – pick 5 balls from 10 to reveal credits and multipliers. Land all multipliers and the award hits 100x. The more Bonus symbols that triggered the round, the bigger the final multiplier – up to 20x.

Lotto Lucky™ – because every spin could be your lucky one.
