The world's biggest football party is about to kick off, and "TROPHY SPINS World Cup 26" gets the celebration started early! Step out onto the pitch as the floodlights blaze, the crowd roars, and a gleaming golden trophy waits centre stage.

Set against a vibrant stadium backdrop dripping with international tournament fever, this 3x3 grid lights up with all the icons of the beautiful game – from the classic black-and-white ball and golden boots to lucky scarves, VIP tickets, foam fingers, and the referee's whistle.

At kick-off, watch the football roll from the trophy podium to reveal your LUCKY symbol for the round. Land three or more matching Lucky symbols across the 9 spots and they lock into place while the remaining reels re-spin, with double pays for every Lucky combo collected. It's the kind of finish that gets the whole stadium on its feet!

When 3 or more BALLER BONUS symbols hit the pitch, the action shifts to a second-screen bonus round. Choose 5 from 10 shuffled footballs to reveal credits and multipliers. Bag 5 multipliers and the award is a goal-den 100x the sum of them. Net result? Wins worthy of the world stage.

Whether you're cheering on your home nation or just here for the goals, "TROPHY SPINS World Cup 26" is the perfect way to celebrate football's biggest summer. Game on!
